### SHALL GLENDALE HAVE A PUBLIC PARK.

Glendale, Cal., May 19, 1908.

The matter of a public park seems to have been temporarily crowded out of the public mind by the more immediate demands of school facilities. Now that the school question is settled would it not be well to bring the matter before the public?

We do not and cannot now appreciate the need of a park as we will in the future. When beautiful Glendale has a thousand or two thousand inhabitants for every hundred she has now a well laid out park will be of priceless value. Then it will be too late and there will be no land unoccupied or available for the purpose. Had not a public spirited citizen given Central Park to Los Angeles when land was cheap it would be impossible to obtain the land for that purpose, and what would Los Angeles be now without Central Park, or can its value be measured in dollars and cents?

We call on our public spirited citizens to take the matter up now. Not only as a duty they owe the present residents but as a greater debt they owe posterity. What do we live for if not in some way to leave the world a little better for our brief stay here? And anything we can do that will add to the health and happiness of those who are to follow by giving them a free and equal heritage to the bounties of nature will be of untold value through all future time.

Would it be asking too much of the large land holders and land speculators whom the present population have enriched to return a little of the wealth that others have created for them and bestow it for the public good when it would again return to them two-fold by enhancing the value of their remaining holdings.

Again, from a purely materialistic and financial standpoint, and it is now considered the only standpoint from which it is worth while to make an appeal to the monied interests.

You wish to be known as a progressive and up-to-date city. Would not a well-kept public park be worth all it cost as an advertisement for Glendale?

R. GILHOUSEN.

### BUSINESS CHANGE.

The Glendale Hardware store, on Fourth street, has changed hands, the interest of Mr. E. V. Parker having been sold to Mr. Hinckley, of Hollywood, who will make many improvements in the way of stock and facilities for the accommodation of patrons.

### PASADENA, VERDUGO AND SAN FERNANDO VALLEY RAILROAD COMPANY.

#### Their Petition.

Los Angeles, Cal., May 14th, 1908.  
To the Hon. Board of Trustees,  
City of Glendale.

Sirs: This company is seeking a right-of-way from Pasadena to Hollywood, via, Eagle Rock, Verdugo, Glendale, Tropico and Griffith Park. For about two years Col. Griffith, the donor of Griffith Park, has held up our progress by declining to permit the city of Los Angeles to grant us a franchise through Griffith Park.

On account of this and other obstacles we have devoted our energies towards the two ends of the line, leaving the middle or Glendale section to be located to conform to our rights of way of our terminal sections.

We propose to secure these rights-of-way and construct said line through the medium of three subsidiary companies—one for the Hollywood-Tropico end, one for the Pasadena-Eagle Rock end and one for the middle section, which includes the towns of Glendale, West Glendale and Verdugo. The Hollywood and Pasadena sub companies have been launched and considerable stock has been subscribed by citizens of these places.

The county highway commission proposed "Redlands to Santa Monica" Boulevard has been temporarily located to pass over Sixth street, Glendale. This street is also the line selected for our proposed railway and we now address you for the purpose of securing your co-operation and suggestions as to our course in taking the matter up with the people of Glendale, routes and etc.

The county of Los Angeles has no jurisdiction over the streets of the city of Glendale and can, therefore, spend no money on the route of the boulevard in the city of Glendale. The city of Glendale will doubtless by due process under the State Act establish Sixth street as a boulevard to connect with and form part of that proposed by the county.

After such establishment no railroad can be granted a franchise over the street. With a railroad on Sixth street, however, a boulevard can be established on either or both sides of same.

1. Will the Board of Trustees of the city of Glendale consider favorably an application from the Glendale Railroad company (to be organized by us) for a franchise to be sold under the "Broughton Act" to the highest bidder to construct and operate a railroad in the center of and along Sixth street from the eastern to the western city limits.

2. Will the Trustees considerably favor an application or petition from a majority of the property owners on Sixth street to abandon said street for street purposes—the property owners abutting to then deed a 30-foot strip

for a private right of way to the Glendale Railway company and to deed a 35-foot strip on each side of the railroad right-of-way back to the city of Glendale for a boulevard. Said Sixth street, 100 feet wide, to be then established as a boulevard?

3. Or, Do the Trustees of the city of Glendale think it better not to have a railroad on Sixth street, but favor one, for example, on Seventh street, and will the Board of Trustees assist the Glendale Railroad company in securing a private right-of-way from the eastern to the western city limits on some route other than Sixth street and south of Sixth street?

This company is proceeding on the basis that a bonus is not necessary to make a railroad pay dividends, operating across the city of Glendale and, therefore, is not asking for one dollar bonus, and furthermore offers its stock to the citizens of the territories through which it passes for subscription. If it is a profitable undertaking the citizens whose patronage makes a profit for the railroad should share in the benefits. If the enterprise is unremunerative then the burden of its operation at a loss should be borne by the citizens whose property it is benefiting by operating. This company asks of the citizens of Glendale only a right-of-way.

Your attention and prompt reply to this communication is earnestly requested in order that the attitude of this company in regard to route may be quickly determined.

Yours respectfully,  
P. V. & S. F. V. Ry. Co.  
E. S. Janes, Atty.

### THE SANITARIUM CLASS OF 1908.

The Glendale Sanitarium Training School for missionary nurses held graduating exercises for the first three-year class to graduate from this school, on Thursday evening, May 21, at eight o'clock, in the new Sanitarium gymnasium.

Those graduating were Edith Alberta West, Frederick William West, Anna Maybelle Nelson, Anna Minna Balzhauser, Lula Anna Wilson and Gertrude Matilda Wissner.

The chase colors, white and gold, were employed through the medium of the class flower, white and yellow marguerites. These on a solid background of peppers were most effective. Over the stage hung the class emblem, a beautiful star, in white and gold, and above it the words "In His Steps." Palms were used most effectively throughout the hall. On the left, fronting the stage were seated the faculty not participating in the program, and twenty nurses.

The program enjoyed by patrons and friends of the Sanitarium was most pleasing and was given as follows:

March ..... P. J. Wessels  
Chorus, "Not I, but Christ," ..... Nurses  
Invocation ..... Elder Hoare  
Solo ..... Mrs. Lulu Bryant Green  
Address ..... Dr. B. E. Fullmer  
Solo ..... Mrs. Lulu Bryant Green  
Class representative ..... Anna Nelson  
Presentation Diplomas, Dr. M. M. Kay  
Song ..... "Bringing in the Sheaves"  
Benediction ..... Elder G. W. Reason

### CITY TRUSTEES.

All present except Mr. Watson. The following demands were referred to the finance committee:

W. L. Nelson, inspecting street work ..... \$ 8.00  
Frank Camargo, labor street dept. 12.00  
W. L. Nelson, balance salary ..... 4.00  
O. A. Campbell, awning, etc. ..... 21.50  
S. Grant, labor St. dept. ..... 53.25

Demands 541, 557, 558 and 559 previously referred to the finance committee and warrants ordered drawn.

A communication was received from the highway commission requesting information regarding Sixth street in the corporate limits of the city of Glendale. The city clerk and city engineer were instructed to forward map of the city of Glendale, to the commission and supply such other information as may be available.

A communication was received from E. S. Janes, attorney for the Pasadena, Verdugo and San Fernando Railway company, in reference to the right of way for said road through the city. Communication was placed on file.

The city clerk was instructed to communicate with the trustees of the cities of Hollywood, Alhambra, Monrovia and other cities of the sixth class interested, as to the advisability of a conference of the trustees of these municipalities, in regard to the question of providing for the passage of the "Redlands Boulevard" through their respective cities.

The city engineer was instructed to ascertain whether the owners of abutting property on Sixth street are willing to dedicate land for street purposes where no dedication has been made.

An ordinance licensing certain kinds of business and fixing the penalty for the violation thereof, was taken up and passed to third reading.

Trustee Anderson offered resolution authorizing president of the Board of Trustees and city clerk to draw and sign warrants for regular monthly salaries and rental of city hall. Same was adopted.

Trustee Cole offered a resolution regarding certain work done on a portion of Seventh street, which was read and adopted.

The city attorney was instructed to prepare a resolution vacating a certain alley near Verdugo Road and Fourth street on property of J. P. Lukens.

### INFORMAL ENTERTAINMENT.

An informal entertainment on Wednesday evening was given by the Rebekahs in the Odd Fellows' hall, which for the event, had received a liberal decoration of greenery, roses and marguerites. Bright numbers on the program were a piano solo and encore by Miss Laura Bulkeley, instrumental numbers by Miss Pearlie Goode, and a soprano solo by Miss Evelyn Ryan "Forgotten," with a sweet rendition of "Dreaming" as an encore. Refreshments consisted of a liberal supply of delicious home cakes and ripe red cherries.

GLENDALE, CAL., MAY 23, 1908

The Sierra Madre News calls attention with pardonable pride to a full page advertisement by a local real estate agent which is to run through the year. It is a pretty sure thing that this enterprising agent will take without question his place as the leading realty dealer in his town and as one of the chief factors in its up-building.

### A City Directory

The growing importance of our city calls for some reliable data in regard to it and its people which can be best supplied by a local directory. This we have secured copyright for and shall publish during the latter part of the year. We shall presently give more of the details of its plan and give our rates to advertisers.

### A Public Park

We give space with pleasure to the timely and practical letter which we publish on another page in reference to a public park. We hope the suggestion of Mr. Gilhousen may bear fruit.

We feel that the future of Glendale is assured, as we have passed the experimental age of our development and are moving rapidly forward to take a place in the front rank of the home cities of Southern California.

If none of our citizens will come to the aid of this worthy object by a donation of land, we had better secure it by a bond issue, but let us get it. Every year that passes emphasizes the necessity for this city playground and at the same time puts additional difficulties in the way of securing it.

While it is desirable that the location be central, that is a matter of secondary importance. Do not let any public spirited citizen refrain from making the necessary donation of land because the same is not located within the corporate limits. We can be well satisfied with a public park, even if not near the business center.

### Local Advertising

The merchant who possesses any business acumen at all knows that he must advertise his wares in order to succeed in business. There are a few men whose ideas of economy are such that they think that the few dollars which are spent in advertising are thrown away; but it is noticeable that they are not the kind that make a success in their business. The person who is not in business and yet has from time to time something to sell, is also under the necessity of making that fact known if he desires to succeed. In a small community

such as our own, the necessity for advertising occasional "bargains" is apparent.

For two months recently the writer looked around and inquired among his neighbors for eggs of a certain kind of thoroughbred hens. At last a sign posted on a fence caught his eye and he found what he desired.

From time to time we have inquiries for houses to rent which we are unable to answer because none are advertised in our columns; and yet here and there as we pass by the legend "For Rent" can occasionally be seen.

The person with something to sell cannot afford to overlook the medium for the dissemination of such information, which goes into so many homes and meets the eyes of many more who are not on the subscription list.

### Conserving the Nation's Resources

The meeting called by President Roosevelt, to which were invited all the governors of the various states, held in Washington last week, will no doubt be productive of much good. It was called for the purpose of discussing the conservation of the nation's resources and devising means to utilize and prevent waste.

The president made one of his characteristic speeches, full of wisdom from beginning to end. The statement made in that speech in which he declared that from the time of the early Phoenician navigators until the declaration of American independence, "the conditions of commerce had not fundamentally changed"—wood was the only known fuel and the wind and the oar the only motive power for boats, is startling but true. All the wonders accomplished in the way of transportation and the adaptation of the forces of nature to the use of man, are the work of the last century.

But the wonderful gain to humanity has been to some extent a draft upon the future. Our immense resources have been used as wastefully as if we had no concern in their replenishment. In a selfish desire for present accomplishment we have neglected to provide for the future welfare of the nation. The waste in regard to our forests has been conspicuously reckless and we are confronted with a serious problem in attempting to provide for the future in the way of securing the necessary supply of timber for the coming generations which shall have upon them the responsibility of maintaining the present high standard of our civilization.

**Close Call for the Machine**  
As the result of the recent primaries are analyzed the Lincoln-Roosevelt Republican League finds every encouragement to gird up its loins for the August 11th primaries, when it seems certain to sweep the state for reform.

That the League had a very large majority of the elected delegates in the state convention shows how the people of the state will vote when they have a chance.

That a change of only thirty-five or forty votes, in a convention in which half the delegates were appointed instead of being elected at primaries, would have given the League a majority, shows how near the old machine with all its organization and money came to being defeated in the very first skirmish. It had a close call.

It shows, too, what a feeble grip

the Southern Pacific has upon the rank and file of the party, and that a spirit of independent manhood is beginning to dominate the citizenship of the state; for at least seventy-five of the appointed delegates openly defied the machine and lined up with the Lincoln-Roosevelt League in favor of a free party.

Imagine delegates doing that in the Republican state convention at Santa Cruz two years ago! Or at the Los Angeles county convention at Venice! Why, they couldn't say how they were going to vote in those conventions till they "got the word" from the bosses. It was not a case of what the people wanted, but what the Southern Pacific wanted.

But at last the Republicans of the state can hold up their heads and say: "This is our party, and not the party of the Southern Pacific railroad."

From this time on the Lincoln-Roosevelt Republican League will work with redoubled energy, con-

scious of its strength and irresistible power in the public sentiment that is behind it.

The Republican party in California is composed, in a large majority, of independent men, who rejoice at the opportunity to hold up their heads like sovereign American citizens and rule themselves, instead of being obliged to hang their heads in shame and submit to being governed by the Southern Pacific railroad.

With its organization of the state completed, with the public thoroughly informed regarding the issues, and with the question of self government brought right home to every voter in every assembly district, and in many supervisorial and other districts, there is little doubt what the result of the next primaries will be.

But eternal vigilance and hard work from now till August 11th will be the price of liberty for the Republican party. Every friend of a free party should lend a hand.

#### RESOLUTION OF INTENTION NO. 147.

A RESOLUTION OF THE BOARD  
OF TRUSTEES OF THE CITY OF  
GLENDALE DECLARING ITS IN-  
TENTION TO IMPROVE A POR-  
TION OF BRAND BOULEVARD.

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the public interest and convenience require, and it is the intention of the Board of Trustees of the City of Glendale, State of California, to order the following street work to be done in said city, to wit:

First: That that portion of the roadway of Brand Boulevard from the Southerly line of Fifth street to the Southerly city boundary line of the City of Glendale, including all intersections of streets (excepting such portion of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded, tamped and oiled in accordance with the plans and profiles on file in the office of the City Engineer, and Specifications for the grading and oiling and tamping of streets on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 9, except that instead of following that portion of said Specifications contained on page 2 of said Specifications under the heading of constructing gutter, sprinkling and oiling, which reads as follows: "The roadway shall be coated evenly with the oil at the rate of three gallons per square yard of surface covered. This shall be thoroughly cultivated in until the oil is well mixed with the soil to a depth of five (5) inches. The roadway shall then be tamped with a tamping roller until the bottom two and one-half (2½) inches are solid. The roadway shall then be re-crowned with a road grader, again thoroughly sprinkled with water until the top two and one-half (2½) inches are evenly dampened. The second coat of oil, amounting to one gallon per square yard of surface covered, shall then be applied and cultivated in as aforesaid, to a depth of two and one-half (2½) inches. Then the roadway shall again be tamped with a tamping roller until the entire surface of the roadway is uniformly hard and smooth and without undulations or irregularities in the surface. After said tamping there shall be applied a fourth coat of oil amounting to one-half (½) gallon per square yard of surface covered.

Except that on page 2, subdivision 4, under the heading "Oil," instead of the following provision "Natural Oil: The oil used shall be untreated, crude oil and shall not have been treated to remove water, sediment, or volatile materials." The following provision regarding the oil to be used shall be adopted: The oil used shall be crude petroleum.

Second: That from the South line of Fifth street to the North line of Sixth street a cement curb shall be constructed along the East Side of the East roadway of said Brand Boulevard, including returns at all street intersections, fifteen feet from the east line of Brand Boulevard line and fifty feet from the center line of the right of way of the Los Angeles Interurban Railway and that from the South line of Fifth street to the North line of Sixth street a cement curb shall be constructed along the West Side of the West roadway of said Brand Boulevard, including returns at all street intersections, fifteen feet from the West line of said Brand Boulevard. Also that from the South line of Sixth street to the Southerly boundary line of the City of Glendale, a cement curb shall be constructed along the East Side of the East roadway of said Brand Boulevard, including returns at all street intersections, forty-nine feet Easterly and parallel with the center line of the right of way of the Los Angeles Interurban Railway, and that from the South line of Sixth street to the Southerly boundary line of the City of Glendale a cement curb shall be constructed along the West Side of the West roadway, including

The following provisions are to be followed in lieu of said specifications No. 9:

The roadway shall be coated evenly with the oil at the rate of three (3)

gallons per square yard of surface covered, which shall be applied in the following manner:

First, an application of one gallon of oil per square yard of surface covered, this shall be thoroughly cultivated in until the oil is well mixed with the soil to a depth of five inches and the roadway shall at all times, during said application herein described, be kept thoroughly moistened with water. After the first application of oil has been thoroughly worked in, a second application of one gallon of oil per square yard of surface covered shall be applied and worked in in the same manner as said first application, followed by a similar third application of oil of the same quantity which shall be worked into the roadway in the same manner as said first and second application. Then the roadway shall be tamped with a tamping roller until the entire surface of the roadway is uniformly hard and smooth and without undulations or irregularities in the surface. After said tamping there shall be applied a fourth coat of oil amounting to one-half (½) gallon per square yard of surface covered.

The term East Roadway herein mentioned refers to that portion of Brand Boulevard lying between the East line of the right of way of the Los Angeles Interurban Railway and the East line of Brand Boulevard.

The term West Roadway herein mentioned refers to that portion of Brand Boulevard lying between the West line of the right of way of the Los Angeles Interurban Railway and the West line of Brand Boulevard.

Third: That a cement curb be constructed upon said Brand Boulevard along both sides of the right of way of the Los Angeles Interurban Railway twenty-one (21) feet from and parallel with the center line of said right of way, except along such portions of said right of way as are intercepted by the prolongation across said right of way of the curb lines of all intersecting streets. Said above mentioned cement curb shall be constructed in accordance with the specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Section 2. That the Board of Trustees of the City of Glendale hereby finds upon estimates directed to be furnished and furnished by the City Engineer, that the total cost of said improvements will be greater than fifty cents per front foot along each side of said street, including the cost of intersections, and it is hereby determined in pursuance of an Act of the Legislature of the State of California, approved February 28, 1893, as amended by an Act of the Legislature of the State of California, amending said last named act, which amending Act became a law March 2, 1893, that bonds shall be issued to represent the cost of said improvements; said bonds shall be serial, extending over a period of ten years and an even proportion of the principal sum of such bonds shall be payable annually by coupon, on the second day of January of each year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven (7) per cent. per annum on all bonds unpaid; payable semi-annually by coupons, on the second days of January and July of each year.

Section 3. THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution of Intention and notice of the passage thereof, shall be published in the manner and by the persons required by law.

Section 4. The Superintendent of Streets of said City is hereby directed to post notices of the passage of this Resolution in the manner and in the form required by law, and to cause a similar notice to be published by one insertion in said newspaper in the manner required by law.

Section 5. The City Clerk shall certify to the passage of this Resolution and shall cause the same to be published by two insertions in the manner required by law in said newspaper, and shall post the same conspicuously for two days on or near the Chamber door of the Board of Trustees.

Adopted and approved this 13th day of May, 1908.

WILMOT PARCHER,  
President of the Board of Trustees of  
the City of Glendale.

The little children of the L. T. L. met on Thursday afternoon in the M. E. church parlors. The society is growing wonderfully and is full of eager interest. Perhaps because of the delightful picnic planned for Saturday. Mrs. Beal is directress.

The "Walking Chapter" of the Los Angeles "Each and All," met on Thursday at the Huntington building, at 9:30, where they took a car for Glendale and the foothills. After a climb and a tramp, a dinner was enjoyed in the cool shade of a tiny canyon back of Casa Verdugo.

The Home Missionary Society of the Methodist church enjoyed a very pleasant afternoon on Tuesday with Mrs. Dana Fliske in her home on Jackson street. After a regular business session came the happy social hour when a supper was introduced as one of the attractions. There was a good attendance.

Mr. G. H. Barager, proprietor of the furniture store, will move from his present residence on Cedar street to his lately acquired home on Adams street near El Rose. Mr. Barager has taken over the china store of Mr. Ober, which he will restock with a view of being able to supply the demands of the public for that class of goods.

Dr. and Mrs. R. E. Chase and Mrs. G. B. Woodberry, who went to San Francisco ten days ago to attend conventions, have returned home, well pleased with their trip. They were there to see the great war fleet sail out of the Golden Gate and had altogether a most enjoyable time, the weather and other circumstances being propitious.

Our old friend Wm. Galer, who years ago published for about one year the Glendale Encinal, has become a resident of this vicinity. He dropped in on us during the past week and informed us that he has gone into the chicken business on Verdugo Road just south of the city limits. We wish that his hens may lay busily, for we know that they will keep Galer busy.

Mr. E. T. Byram's condition shows a gradual loss of vitality. One side remains paralyzed, but the faculty of speech has been partially restored, although he expresses himself indistinctly and with much difficulty. During his most wakeful intervals his mind seems perfectly clear and he is quite competent to dictate as to his business affairs.

In compliment to the month of May, a jolly cotterie met on Wednesday in beautiful Sycamore canyon and less than a half mile within the old gate, camped for the day, when hospitality and comfort were evidenced when the hammocks were strung, the fire glowing and hampers opened. In the party were Mr. and Mrs. Frank Campbell, Mr. and Mrs. C. E. Russell and Miss Una Russell, Miss Bertha Fuller, Miss Charlotte Blaisdell, Dr. and Mrs. A. L. Bryant and son, Alfred, and Dr. Burt.

Mr. R. G. Doyle, the enterprising real estate man, a former resident of Glendale and well-known hereabouts, has branched out in a new field of usefulness as a "healer." Last Sunday at Chutes Park he gave a demonstration of his power. The report in the Los Angeles Times states that a number of people acknowledged themselves helped by the laying on of the hands of the new exponent of "Odylic force."

We shall watch Mr. Doyle's career in his new vocation with much interest.

Mr. and Mrs. John McBee and their two children arrived in San Francisco last Friday on the Siberia from Manila via Yokohama, and Mrs. McBee and children are at the home of her parents, Mr. and Mrs. J. C. Thomas, in Highland Park. Mrs. McBee has many friends in Glendale who remember her as Miss Margaret Thomas, pupil and teacher in the Glendale school. Mrs. McBee has put in nearly seven years as a teacher at Aparsi, in Northern Luzon, and returns to the United States with a heart full of thankfulness for the privilege of returning to home and home-land, where she hopes to remain. Mr. McBee is stopping temporarily with relatives in the San Joaquin valley.

Mrs. Robert Morris spent the entire week in Los Angeles as guest of her nephew Rev. Lewis G. Morris, rector of St. John's, coming to Glendale Tuesday, she returned Wednesday for the remainder of her visit. On Monday Mrs. Morris attended the Ebell Club, where Mrs. Florence Collins Porter gave a one-hour talk on "Current Events of the World," which was of such interest her listeners forgot the time and place. Mrs. Porter, as district president, addressed the Tuesday Afternoon Club on Reciprocity Day.

Mrs. Harry Stock was delightfully surprised on Tuesday evening last on her return home from a call on one of the neighbors, to find a jolly crowd of her friends gathered there in honor of her birthday. Plenty of music and dancing was the main feature of the evening. The guests were Mr. and Mrs. Agard, Mr. and Mrs. Murdock, Mr. and Mrs. Rodgers, Mr. and Mrs. Chobe, Mr. and Mrs. MacDonald, Mrs. Carr, Miss Mary Studler, Miss Rae, Miss Muhleman, Messrs. Harry Valiant, Morris Andrews, Muhleman, Stothard, Miller, Barabé, George and Easton.

Little Anna Rehart, injured in January and much of the time since wearing a plaster cast, is reported as improving at last, as her temperature is now normal, and only patience and quiet are required for her ultimate recovery. On New Year's Day a playmate pulled a chair from underneath Anna and she fell injuring her spine. She is not quite thirteen years old, and she greatly misses the activity usual in one of her age, but has devised many bright and original means of amusing herself. Recently she dressed several beautiful dolls for the bazaar to be given soon.

#### PUBLIC RECEPTION AND LIBRARY BENEFIT AT CANYON CREST.

If you were not "among those present" at the big reception given by Mr. and Mrs. James H. Wells on Tuesday at their home "Canyon Crest," you are sorry now, and we can hardly be sorry for you. For you "might have been."

There was plenty of room for all in the beautiful house, gay with roses fern and dainty Queen Ann's lace, and on the spacious lawns where are gathered rare flowers and rarer trees and shrubs, where the rustic bridge crosses the fish pond attractive with aquatic plants lately arrived from the famous Edmund D. Sturtevant Lily ponds, Hollywood, and graceful hybrids produced with magic skill, and in the hidden recesses, gold and silver fish, and winding walks, a rose covered, palm thatched summer house, an imitation desert in miniature, bristling with cacti, are among the unique and attractive features of these charming grounds. The scene as viewed from the Wells' mansion is the same that won from the Franciscan fathers a hundred years ago as they journeyed from mission to mission, and looked upon the scene, that poetic tribute and appellation: "La Puerto de Cielo." (The Gate of Heaven.)

Within the doors, Mrs. Wells ex-

tended an open-hearted welcome, dur-

ing receiving hours, with the guest of

honor, Mrs. Robert Morris, president

of the Tuesday Afternoon Club, the

members of the public library board

of trustees, Edward D. Goode, Mrs. J. N. Witham, Dr. A. L. Bryant, Mrs. Dr. Robert Blackburn, Mrs. Goode, and Mrs. F. L. Church, and as assisting

hostesses, Mesdames Edgar W. Pack,

Wilmot Parcher, Ezra F. Parker, Dan

iel Campbell, D. Winslow Hunt, J. C.

Sherer, Edgar Leavitt, E. S. Comstock,

Alexander Mitchell, F. H. Vesper,

Charles Stanley, Miss Penn and Mrs.

J. C. Danford, librarian.

In the dining room the fragrance of roses mingled with that of the mint which flavored the iced punch on the surface of which floated the waxen petals of pond-lilies; one white as the snows of old Baldy, one yellow with the gold of California, still another rose with the blush of our sunsets and one more blue with the reflection of our own skies.

After the visit to the grounds a bevy of guests found the winding trail to the "canyon," just back of the "crest" where stands the home. The trail leads down under the shade of huge live-oaks, and is bordered with a carpet which spreads through the

wood, of pale yellow monkey-flowers, lifting quaint faces to question the passer-by. Here are many varieties of California fern, wild flowers, shrubs and vines unexcelled in San Fernando Valley, which have loyally added to the fame and beauty of Canyon Crest.

The ladies had a monopoly of the afternoon, but from six o'clock onward the gentlemen were very much in evidence, some of them arriving in time to add their tribute of admiration to that expressed by the ladies as they looked through the west window out upon the beautiful grounds in the foreground of the picture and the stretches of San Fernando valley in the distance. During the evening Mrs. Wells stated the object of these meetings as being an effort to arouse an interest in the library in the minds of the voters and taxpayers particularly. In the absence of Mr. Parcher, president of the Glendale Board of Trustees, the hostess read a letter from that gentleman in which he announced the intention of the city to double its contribution for library purposes for the coming year, making \$1000; he also enclosed a check as a contribution for the cause. The reading of the letter was generously applauded. Several of the gentlemen were called upon for speeches to which they responded readily, after which the ladies were given an opportunity to "talk;" the call being strangely enough followed by an eloquent silence, with one or two exceptions.

For the purpose of receiving a silver offering, two miniature banks, "The First National" and "The Bank of Glendale," kept open hours to accommodate depositors; Mrs. Dan Campbell acting as cashier and custodian in the afternoon and Mr. F. H. Vesper in the evening.

The affair was a most delightful one and the entire success of the function reflects great credit upon Mrs. Wells and the ladies associated with her. It will no doubt have an influence in arousing a proper enthusiasm for our library.

#### GUILD CONCERT AT MASONIC HALL.

The entertainment given Thursday evening by the ladies of St. Mark's Guild, was a great success financially and otherwise. The program was short but comprised some unusually good features. The vocal performance of Master Vernon Bettin, the Los Angeles choir boy, was remarkably fine. He has a wonderful bird-like voice, unusual in one so young, and his singing was enthusiastically encored. The solos by Mrs. McMullin were thoroughly enjoyable, but in fact this may be said of all the musical numbers, vocal and instrumental. The violin solo of Master Shirley Winberg was excellently rendered, while Miss Ina Whitaker and Miss Lemonia Ginderson as pianists did unusually good work. The readings and songs by Mr. Charles E. Warner were greatly enjoyed. The supply at the punch bowl and the candy booths proved inadequate in quantity, while there were but a few articles left unsold in the fancy work line. Mrs. C. O. Pulliam and the ladies assisting her deserve great credit for the success of the affair.

#### A BIRTHDAY COMPLIMENT.

In the pretty rooms of "The Priory" on Sunday, Mr. and Mrs. Edgar W. Pack were charmed to extend hospitality complimentary to Mr. Pack's god-child, sweet little Freddie Hezmalhalch, who found the home fragrant with white carnations and bright with welcome. He in turn had for his guests his parents, Mr. and Mrs. Frederick C. Hezmalhalch, formerly of Glendale and very popular here, and now of Fullerton; Mr. and Mrs. C. W. Hartsough, their daughter, Mildred, and little son, William Christopher, Jr.; Mr. and Mrs. Richard Sternberg and daughter, Elizabeth, and little daughter, Helen Winifred. During the discussion of the bounteous feast prepared for their delight, the place of honor was found to be occupied by a handsome and delectable birthday cake for "Ed, sr." It was all most prettily planned and a most happy event.

The Epworth League met at L. G. Wilhite's, Sixth and Central avenue, last Wednesday evening.

Mr. Chas. Murray, who has been spending the past two months in Death Valley, has returned home.

Mr. S. G. Biddle visited Sunday afternoon his mother at her home on New England avenue, Los Angeles.

J. Arthur Logan returned the latter part of the week from a pleasant business and pleasure trip to Portland, Ore., and San Francisco.

Mr. Dwight Griswold represented the Sixty-seventh assembly district as delegate in the Democratic state convention at Fresno this week.

Miss Mary Getchell, having rented her bungalow on Pacific drive to Mrs. Anna Gale, has taken up her residence during the summer at Orange.

Mr. and Mrs. John Lee Kirkham were the guests of Mrs. Kirkham's parents, Prof. and Mrs. William Malcom, of El Monte, over Sunday.

Mrs. Alfred Engelhardt, Hilda Engelhardt and Mrs. Engelhardt's father, T. J. Webster, visited Mrs. E. J. Higgins at Wilmar the first of the week.

Miss Eulalia Richardson, daughter of Mr. and Mrs. E. W. Richardson, who is a student at Stanford, returned home Friday for the summer vacation.

Mr. and Mrs. Chester Thresher and little daughter, of San Bernardino, are the guests of Mr. Thresher's aunt, Mrs. James R. Maxwell, of Park avenue.

The box social held in the parlors of the First Presbyterian church by the Young People's Club of the church proved a most decided success financially and socially.

N. C. Burch, of "Seven Pines," who has been spending a week or so with his son, Emmons Burch, at his ranch home in Glendora, returned home the latter part of the week.

Mr. and Mrs. Mulford Haines, of Wyoming, who are sojourning in Los Angeles, were the guests of their cousin, Mrs. James B. Normant, of "Barz Doon," the past week.

The Christian Union of Glendale and Tropico will give the social that was to have been held at Logan's hall May 29th, on Saturday evening, June 6th. A good time promised to all.

Rev. A. W. McConnell, pastor of the First Presbyterian church of Tropico, will exchange pulpits with Rev. S. Lawrence Ward, pastor of the First Presbyterian church of Glendale, Sunday morning.

The Union services of the Methodist and Presbyterian churches will be held in the Methodist church on Palmer avenue, Sunday evening, May 24th, conducted by the Fishermen's Club, at 7:45.

The Sunday Rest League is making an effort to close all pool rooms in Los Angeles county on Sunday and fix the age limit when the boy may play pool at 21 years. Tropico has sent to the supervisors a petition containing over seventy names for this object.

Miss Alta Stone, eldest daughter of Mr. and Mrs. A. P. Stone, who is also a student at Stanford university, returned a few days prior to the arrival of Miss Richardson.

The two charming college girls are enjoying their return home with as much fervor as they are the many social attentions bestowed upon them.

Mrs. Hattie Brewster has sold one of her residence properties, on Glendale avenue, the one she is occupying, to Mr. and Mrs. Watles, of Los Angeles, who will take possession of their new home the first of July. Mrs. Brewster and her mother, Mrs. Molliere, will occupy one of Mrs. Brewster's cottages south of the residence just sold.

Oscar Tomikata, a Japanese of much prominence financially and socially among his fellow countrymen who are residents of the valley, returned from Seattle, Wash., Tuesday, with his bride, whether he went to wed, and there was great rejoicing and merrymaking at Camp Three by the Japanese colonies Tuesday evening, upon the return of Mr. and Mrs. Tomikata.

**MEMORIAL SERVICES.**

Headquarters of N. P. Banks Post, Tropico, Cal., May 23, 1908.

Arrangements are being made by N. P. Banks Post and Corps for the proper observance of Memorial Day. We are sure of the hearty co-operation of all citizens of the valley to make it not only an expression of appreciation of the services rendered by those who gave their lives that this country might live, but also of devotion to the great principles for which they suffered. Memorial services will be held in G. A. R. hall, Tropico, Sabbath, May 24th, at 2:30 p.m. A large attendance is desired. The local churches are at liberty to hold such services as they may choose, either morning or evening. Decoration services will be held at Grand View cemetery, Saturday, May 30th, at 10 a.m.

It is hoped that the transportation will be provided for all pupils of the public schools in the various localities. This day, which signifies so much in the life of the nation, should not be allowed to degenerate into a gala day.

By order of N. P. Banks,  
**FLETCHER POMEROY**,  
Commander.  
**J. O. GARMON**,  
Adjutant.

**PROGRAM MEMORIAL SABBATH.**

An invitation is extended the citizens of the valley to attend the Memorial services to be held at G. A. R. hall, Sunday afternoon, at 2:30 o'clock, when the following program will be rendered:

Music—Audience.  
Prayer—Rev. A. W. McConnell, pastor of the First Presbyterian church of Tropico.  
Music, Battle Hymn of the Republic—Mrs. Charles L. Peckham and the audience.

Scripture reading—Rev. Stone, pastor of the Baptist church at Glendale.  
Solo—Star Spangled Banner—Mrs. Charles L. Peckham, chief of department president's staff.

Reading of Lincoln's Speech at Gettysburg—Rev. Fletcher Pomeroy, post commander.

Sermon—Rev. J. H. Henry, pastor of First Methodist Episcopal church at Tropico.

Prayer—Rev. S. Lawrence Ward, pastor of First Presbyterian church of Glendale.

**EXPRESSES GRATITUDE.**

Mrs. M. L. Coleman, whose home was destroyed by fire a few weeks since, and who suffered the loss of all her household possessions, desires to thank all of her friends and neighbors for the many kind acts of charity and hospitality extended her.

A generous subscription has aided in making a payment on a lot in the J. W. Imler tract, on Penn avenue. Neighbors erected a neat little house with lumber and building material furnished by J. W. Imler and R. Z. Imler. Miss Hickman made a collection of household furnishings from the congregations of the Methodist Episcopal and First Presbyterian churches of Tropico, and conveyed to Mrs. Coleman's home. Robert Taylor gave sufficient matting to cover the floors, and canned fruits. Mrs. Frank Albright gave a goodly number of china pieces. Mrs. Temple a glass dish. Miss Mattie Hicks contributed a most generous supply of household and kitchen furnishings. Mrs. J. H. Henry sent a number of useful household articles. Robert Taylor, Rev. J. H. Henry, Mrs. Carpy and Mrs. Cole each contributed money.

Mrs. Coleman is endeavoring to meet and thank each one personally for the kind solicitude and generous, substantial responses to her wants.

**PHILANTHROPIC LADIES.**

Mrs. Hal H. Davenport, Mrs. C. L. Chandler, Mrs. Reed, Mrs. John A. Logan, Mrs. Clarke G. Wilkinson and Mrs. John Seaman assembled at the home of Mrs. W. H. Bullis, Tuesday, and spent the day sewing for the children of Mr. and Mrs. Frank Bacon.

Mr. Bacon, through illness, has been obliged to cease work, and the little son becoming ill, Mrs. Bacon has been compelled to give her entire time and attention to her loved ones, who have been at one of the city hospitals.

Mrs. Bullis served an appetizing luncheon to her guests and co-workers.

Mrs. W. A. Thompson left the bedside of her husband sufficiently long to meet with the ladies for luncheon.

When it was definitely learned that Mr. Bacon and son Francis would return from the hospital, four of Tropico's most earnest and loyal women called at the Bacon residence, on San Fernando road, and arranged the house for the homecoming of Mrs. Bacon and her loved ones.

These ladies who thus planned the pleasant surprise were Mrs. A. C. Oliver, Mrs. H. A. Jennings, Mrs. A. Herschel and Miss Dodson. "How far the little candle sheds its light. So shines a good deed in a naughty world."

**SCATTER SUNSHINE.**

Mr. and Mrs. Clark Pomeroy spent Tuesday afternoon of this week with Mrs. Ida C. Strong, one of Tropico's "Shut-ins," at her home on Cypress street, taking a most generous supply of sunshine with them. Mrs. Strong has known Mr. Pomeroy since his boyhood when both were residents of Chicago.

Mrs. Pomeroy, who is an accomplished pianist, furnished a fine musical program, giving selections from all the old masters, whose musical compositions Mrs. Strong has studied with much love and care, not only in our country, but abroad, in the native countries of the old masters.

Then as a fitting close to a most delightful afternoon Mr. and Mrs. Pomeroy sang a number of duets. Mr. and Mrs. Pomeroy, after a pleasant visit with Rev. and Mrs. Fletcher Pomeroy, of Burbank, will proceed to their new home in San Jose, where Mr. Pomeroy has been sent as secretary for the Y. M. C. A. But the pleasant afternoon, with its abundance of sunshine, will ever linger as a sweet memory to Mrs. Strong.

**CLUB DINNER.**

A pleasant social diversion of the past week was the club dinner given by the ladies of the Thursday Afternoon club at G. A. R. hall, Thursday evening, to the husbands and children of the members of the club.

The ladies endeavored in every way to make it a truly successful husbands' and children's evening. Mrs. Hal H. Davenport, Mrs. Edward Ayers and Mrs. Dayoff planned the dinner with care and that execution of all minor details for which these charming hostesses are noted. Mmes. Davenport, Ayers and Dayoff were aided by such efficient lieutenants as Mmes. John Hobbs, A. W. Collins, Charles L. Peckham, L. C. Rice, Charles Murray, John A. Logan and a score of other club members.

## THE GLENDALE NEWS

### RESOLUTION NO. 152.

#### A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ORDERING CERTAIN WORK TO BE DONE ON A PORTION OF SEVENTH STREET.

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the street work herein described is required by the public interest and convenience, and the Board of Trustees of the City of Glendale, State of California, hereby orders the same to be done according to the specifications and plans adopted for said work, and under the direction and to the satisfaction of the superintendent of streets of said city, to wit:

First. That that portion of the roadway of Seventh street lying between the Easterly line of Central avenue and the Westerly line of Brand Boulevard (excepting such portions of said Seventh street as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), be graded and oiled in accordance with the plans and profiles on file in the office of the City Engineer of the City of Glendale and specifications for grading and oiling of streets on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 3, except that the oil used shall contain 70 per cent. of asphalt instead of 60 per cent. as specified therein.

Second. That a cement curb be constructed along each line of the roadway of said Seventh street from the Easterly line of Central avenue to the Westerly line of Brand Boulevard (excepting along such lines of said roadway along which a cement curb has already been constructed to the official line and grade), in accordance with the plans and profile on file in the office of the City Engineer of the City of Glendale and specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Third. That a cement sidewalk five (5) feet in width be constructed along both sides of said Seventh street from the Easterly line of Central avenue to the Westerly line of Brand Boulevard (excepting such portion of said streets along which a cement sidewalk five (5) feet in width has already been constructed to the official line and grade), in accordance with the plans and profile on file in the office of the City Engineer of the City of Glendale and specifications for the construction of cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Sec. 2. That the Board of Trustees of the City of Glendale finds upon estimates directed to be furnished and furnished by the City Engineer, that the total cost of said improvements will be greater than fifty cents per front foot along each side of said street, including the cost of intersections, and it is hereby determined in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature of the State of California, amending said last named Act, which amending Act became a law March 2, 1893, that bonds shall be issued to represent the cost of said improvements; said bonds shall be serial, extending over a period of ten years and an even proportion of the principal sum of such bonds shall be payable annually by coupon, on the second day of January of each year after their date, until the whole are paid and said bonds shall bear interest at the rate of seven (7) per cent. per annum on all sums unpaid; payable semi-annually by coupon, on the second day of January and July of each year.

Section 2. THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution and Notice of said street work inviting sealed proposals, shall be published in the manner and form and by the persons required by law.

Section 3. The City Clerk of the City of Glendale is hereby directed to post conspicuously for five days on or near the Chamber door of the Board of Trustees, in the manner and form required by law, a notice with specifications inviting sealed proposals or

bids for doing said work; and said City Clerk is hereby directed to publish for two days in said newspaper hereby designated for that purpose, as aforesaid, in the manner and in the form required by law, a Notice of said work inviting sealed proposals or bids for doing said work and referring to the specifications posted on or file. Said Notice shall require a certified check or bond, either, as prescribed by law, and for an amount not less than ten per cent. of the aggregate of the proposals; said City Clerk is also hereby directed to publish this Resolution for two days in the manner required by law, in said newspaper designated for that purpose, as aforesaid. Adopted and approved, this 20th day of May, 1908.

### SCHOOL MATTERS—THE ELECTION TODAY.

The postponed meeting of citizens held last Tuesday evening was poorly attended. The committee appointed to act in conjunction with the school trustees to select a site for the new grammar school, were, it is understood, not entirely unanimous in their views. This committee consisted of Messrs. Holman, White, Hunchberger and Emery. Mr. Holman was not present at the meeting but was reported as willing to abide by whatever decision might be arrived at by the other members of the committee. After some discussion, the committee reported in favor of a site consisting of lots facing Fifth street, on the north side, between Louise and Kenwood, being the northeast corner of Fifth and Louise streets, diagonally across from the site of the proposed new High School. The approximate price for this property will be from \$5000 to \$6000; it will consist of six lots fronting on Fifth street and one key lot on Louise street, making the grounds two hundred feet deep on Louise street and one hundred and fifty feet on Kenwood, with the full frontage of the block on Fifth. There is considerable difference of opinion developing as to the wisdom of this selection. The various things to be taken into consideration are as follows: The patrons of the school living in the neighborhood of Cass Verdugo naturally want the school located as far north as possible. On the other hand those living in the vicinity of Ninth street have an equally good reason for wishing it to be located near them.

The latter argue that it is well to look ahead and calculate upon building still another school house in the future and locating it near the northwest corner of the district. The Cass Verdugo element, however, are of the opinion that it is better to build one large structure at present that will answer for years to come, and in that event it should be located nearer the northern portion of the district. There are others who believe that the price asked for the proposed site is too high and who argue that it would have been

wiser to have accepted the two-acre site in the Childs Tract, on the corner of Seventh street and Glendale avenue, which could be secured for \$4000, which would have left \$2000 more to be put into a building and have given larger grounds.

### IS THIS SOCIALISM?

The editor of this paper has been accused of not knowing what Socialism is, and there are times when he is inclined to plead guilty. We presume that William D. Haywood, that gentle spirit who according to the opinion of many well-informed people, is guilty of the crime of murder, does know. Speaking at Orchestra Hall, Chicago, recently, he is reported as saying:

"I consider a policeman a pimple on society and a boil on the body politic," said Haywood. "Detectives are even worse. They are sneakers-in. They invade the home. They crawl into secret meetings.

"The courts are still worse. To hell with the courts, and to hell with injunctions! A man who will permit them to interfere with his sense of what is right and his proper action is un-American.

"These injunctions that are granted to demonstrate how tyrannical a judge can be should be trampled under foot and ground to pieces. Likewise the judges who make them, and who have sweetbread instead of brains."

If Mr. Haywood has been incorrectly reported, he has an excellent chance to make somebody goodly sum in damages. If, as is correctly reported, are his utterances good Socialist doctrine? The dispatch further announces that his utterances were greeted with applause. Now it is up to our Socialist friends to repudiate the utterances of Mr. Haywood, speaking as he did on a Debs-Hanford platform, or acknowledge that he is a man after their hearts and speaks with authority. Our columns are at the disposal of our local Socialists, to some extent, for a reply.

### HIGH SCHOOL NOTES.

The Ninth Grade Latin are solving the mysteries of the Subjunctive.

The Senior History class are combining some work in parliamentary drill with their regular work.

The "Tigers," a local baseball team, and the High School team, have arranged for a game to be played on Decoration Day on the High School grounds. Considerable interest is being aroused because both teams have confidently boasted of victory and the supporters of each team are expected out in force. A large crowd is anticipated and a game full of interest and spice is expected. The game will be called at 2:30.

Rev. Hatch, first secretary of Occidental college visited the school last Thursday.

Mr. Moyse inspected the High School building in Santa Ana last Saturday.

### DEATH OF A. E. WILCOX.

Arthur E. Wilcox, lately of Chicago, who came to Glendale about two months ago for his health, with his family, stopping for a while at the Sanitarium and latterly in the cottage of Mr. Beers on Belmont street, died on May 15th. Funeral services were held at his late residence, Wednesday afternoon, last, conducted by Rev. S. L. Ward of the Presbyterian church. Interment was made at Forest Lawn cemetery.

## NOTICE INVITING STREET WORK PROPOSALS.

Pursuant to Statute and to Resolution No. 144, of the Board of Trustees of the City of Glendale, California, adopted the 6th day of May, 1908, directing this notice, the undersigned invites and will receive at his office, in the City Hall, on Fourth Street, near Glendale Avenue, up to 7:30 p.m. of Wednesday, the 3d day of June, 1908, sealed proposals or bids for the following street work to be done according to the specifications and plans adopted for the said work, on file, to-wit:

First. That that portion of Fourth street in said city from the Easterly line of Central avenue to the Westerly line of Brand Boulevard, which Westerly line is a line drawn across Fourth street from the Southwest corner of Lot A of the Glendale Boulevard Tract as the same is recorded in the Records of Los Angeles County, California, Map Book 5, page 167, to the Northeast corner of Lot 1 of the C. F. Compton Tract, as recorded in the Records of Los Angeles County, California, Map Book 6, page 168, including all intersections of streets (excepting such portions of said streets and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), be graded and oiled in accordance with the plans and profiles in the office of the City Engineer, and specifications for the grading, oiling and tamping streets in the City of Glendale on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 3.

Second. That a cement curb be constructed along both sides of the roadway of said Fourth street from the Easterly curb line of Central avenue, which curb line shall be sixteen (16) feet Westerly of the Easterly line of Central avenue, to the Westerly curb line of Brand Boulevard fifteen (15) feet Easterly of the Westerly line of Brand Boulevard, said Westerly line of Brand Boulevard being a line drawn across Fourth street from the Southwest corner of Lot A of the Glendale Boulevard Tract as recorded in the Records of Los Angeles County, California, Map Book 5, page 167, to the Northeast corner of Lot 1 of the C. F. Compton Tract, as recorded in the Records of Los Angeles County, California, Map Book 6, page 168, (excepting along such portions of the lines of said roadway upon which a cement curb has already been constructed to the official grade and line) in accordance with specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Third. That a cement sidewalk five (5) feet in width be constructed along each side of said Fourth street from the Easterly curb line of Central avenue, which curb line shall be sixteen (16) feet Westerly of said Easterly side of Central avenue, to the Westerly curb line of Brand Boulevard fifteen (15) feet Easterly of the Westerly line of Brand Boulevard, said Westerly line of Brand Boulevard being a line drawn across Fourth street from the Southwest corner of Lot A of the Glendale Boulevard Tract, as recorded in the Records of Los Angeles County, California, Map Book 5, page 167, to the Northeast corner of Lot 1 of the C. F. Compton Tract, as recorded in the Records of Los Angeles County, California, Map Book 6, page 168, (excepting along the Northerly line of said Fourth street where a cement sidewalk four (4) feet in width has already been constructed to the official grade, and to a line two and three tenths (2.3) feet from the property line) said sidewalk to be constructed according to specifications for the construction of cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Sec. 2. That the Board of Trustees of the City of Glendale finds upon estimates directed to be furnished and furnished by the City Engineer, that the total cost of said improvements will be greater than fifty cents per front foot along each side of said street, including the cost of intersections, and it is hereby determined in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature of the State of California, amending said last-nam-

ed Act, which amended Act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvements; said bonds shall be serial, extending over a period of ten years and an even proportion of the principal sum of such bonds shall be payable annually by coupon, on the second day of January of each year after their date, until the whole are paid and said bonds shall bear interest at the rate of seven (7) per cent. per annum on all sums unpaid; payable semi-annually by coupons, on the second day of January and July of each year.

Bidders must file with each proposal or bid, a check payable to the order of the President of the Board of Trustees of the City of Glendale, certified by a responsible bank, for an amount which shall not be less than ten per cent. of the aggregate of the proposal, or a bond for the said amount and so payable, signed by the bidder and two sureties, who shall justify before any officer competent to administer oaths, for double the said amount, and over and above all statutory exemptions. In bidding use blanks which will be furnished by the City Clerk upon application.

## REAL ESTATE AND BUILDING.

The local lumber yards are doing a rousing business these days. One of them recently sold in one day 80,000 feet and has unloaded twenty cars at their yard so far this month.

Anderson Brothers in addition to the postoffice building on Fourth street, are putting up a house for Miss Denham at Crescenta.

Mr. J. A. Gates, of Eagle Rock, is getting lumber at a Glendale yard for a large residence he is building.

J. M. Bunker is building a residence on Fourth street near San Fernando Road for Mr. Ward.

Mr. L. G. Krukow has begun work on an up-to-date cottage on Fifth street in the Orange Grove tract.

George Diddock is putting up a neat residence on the hill east of George Bensons, the old Howard place.

L. H. Hurt is putting up a stable on one of his lots in the Kate G. Palmer tract, corner Fifth and Adams; it is understood that this is preparation to a fine residence which will soon be erected there.

Mr. Halberg of Burbank is hauling lumber from Glendale for a new building which it is said is to be used for hotel purposes.

Mr. Ellrich is building a cottage on the Allen place, First street west of Verdugo Road.

Mr. E. K. Grant has the contract for a house, corner of First and Kenwood streets, for Mr. Ormsby, cost about \$2500.

Mrs. Taylor, on Mary street, has begun the erection of a residence to cost about \$2500.

Work has been begun on the Logan Block, on the corner of Third street and Brand Boulevard.

## STREET WORK.

So many of our streets are torn up nowadays while in the course of being improved that perhaps the least said about their present condition the better. This does not detract from the all important fact that these streets are being improved; and when we find First, Third, Fourth, Chestnut and Ninth streets almost impassable, we have only to reflect that there is "something doing" and that Glendale is making streets at a rate which is probably not being duplicated by any of our sister cities. This means very much, and goes far as indicating to everybody cognizant of the work going on that Glendale is building for the future. Good streets are bound to be owned at no great distance by a good class of citizens who will bring with them everything desirable for the upbuilding of the community.

### RESOLUTION OF INTENTION NO. 149.

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DECLARING ITS INTENTION TO IMPROVE LOUISE STREET FROM THE SOUTH LINE OF SECOND STREET TO THE NORTH LINE OF NINTH STREET.

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the public interest and convenience require and it is the intention of the Board of Trustees of the City of Glendale, State of California, to order the following street work to be done in said City, to-wit:

First. That that portion of the roadway of Louise street in said City from the South line of Second street to the Northerly line of Ninth street, including all intersections of streets (excepting such portions of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded and oiled in accordance with the plans and profiles on file in the office of the City Engineer, and Specifications for the construction of graded and oiled streets on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 7, except that instead of following that portion of said specifications contained on page 3, Subdivision 4, of said Specifications: "When the surface of the street has been thoroughly cultivated and prepared the first application of oil, consisting of one and one-fourth (1 1/4) gallons of oil per square yard of surface, shall be applied. This coat of oil shall then be thoroughly cultivated and incorporated into the four inches of loose surface soil. After a lapse of not less than twenty-four hours a second application of oil, consisting of three-fourths (3/4) of one gallon per square yard of surface, shall be applied. The second coat of oil shall be lightly harrowed into the surface in such a way as to retain this coat of oil upon the top for a wearing surface."

The following provisions are to be followed in lieu of said Specifications No. 7:

When the surface of the street has been thoroughly cultivated and prepared, the first application of oil, consisting of one and one-fourth (1 1/4) gallons of oil per square yard of surface, shall be applied. This coat of oil shall then be thoroughly cultivated and incorporated into the four inches of loose surface soil and said street is to be kept thoroughly moistened at all times during the application of oil herein mentioned. After a lapse of not less than twenty-four hours a second application of oil, consisting of one and one-fourth (1 1/4) gallons of oil per square yard of surface covered, shall be applied and thoroughly cultivated and incorporated into the four inches of loose surface soil and likewise kept moistened as in first application. After the second application of oil is applied, the street shall be rolled with a smooth roller weighing not less than five (5) tons, until the surface of the street is uniformly smooth and hard. After said street is so rolled a third application of one-half (1/2) gallon of oil per square yard of surface covered, containing not less than 80 per cent. of asphaltum, shall be applied to said street, as a surface covering, and a sufficient amount of clean sharp sand spread over the surface of the roadway sufficient to cover and absorb said oil and then the roadway shall be thoroughly dragged, sprinkled, rolled and compacted.

Second. That a cement curb be constructed along each line of the roadway of said Louise street from the South line of Second street to the North line of Ninth street including returns at all street intersections (excepting along such portions of the line of said roadway upon which a cement curb has already been constructed to the official line and grade) in accordance with the specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Third. That a cement sidewalk five (5) feet in width be constructed along each side of said Louise street from the South line of Second street to the North line of Ninth street (excepting such portions of said Louise

street between said points along which a cement sidewalk four (4) feet or more in width has already been constructed to the official line and grade) said sidewalk to be constructed according to the specifications for cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Section 2. That the Board of Trustees of the City of Glendale hereby finds upon estimates directed to be furnished and furnished by the City Engineer that the total cost of said improvement will be greater than fifty cents per front foot along each line of said street, including the cost of intersections, and it is hereby determined, in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature amending said last named Act, which amending Act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvement. Said bonds shall be serial, extending over a period of ten years from their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven per cent. per annum on all sums unpaid payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, until the whole of said principal and interest are paid.

Section 3: THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in the said City of Glendale, is hereby designated as the newspaper in which this Resolution of Intention, and notice of the passage thereof shall be published in the manner and by the persons required by law.

Section 4. The Superintendent of Streets of said City is hereby directed to post notices of the passage of this Resolution in the manner and in the form required by law, and to cause a similar notice to be published by one insertion in said newspaper in the manner required by law.

Section 5. The City Clerk shall certify to the passage of this Resolution and shall cause the same to be published by two insertions in the manner required by law in said newspaper, and shall post the same conspicuously for two days on or near the Chamber door of the Board of Trustees.

Adopted and approved this 13th day of May, 1908.

RESOLUTION NO. 150  
A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ORDERING CERTAIN WORK TO BE DONE ON A PORTION OF CEDAR STREET

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the street work herein described is required by the public interest and convenience, and the Board of Trustees of the City of Glendale, State of California, hereby orders the same to be done according to the specifications and plans adopted for said work, and under the direction and to the satisfaction of the superintendent of streets of said city, to-wit:

First. That that portion of the roadway of Cedar street from the southerly line of Third street to the northerly line of Fourth street, and from the

southerly line of Fourth street to the Northerly line of Fifth street, and from the Southerly line of Fifth street to the Northerly line of Sixth street (excepting such portion of said streets and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded and oiled in accordance with the plans and profiles on file in the office of the City Engineer of the City of Glendale, and specifications for the grading and oiling of streets on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 7, excepting that the first application of oil shall consist of two gallons of oil per square yard of surface covered and the second application of oil shall consist of one gallon of oil per square yard of surface covered.

Second. That a cement curb be constructed along each side of the roadway of said Cedar street from the Southerly line of Third street to the Northerly line of Fourth street and from the Southerly line of Fourth street to the Northerly line of Fifth street and from the Southerly line of Fifth street to the Northerly line of Sixth street, (excepting along such lines of said roadway along which a cement curb has already been constructed to the official line and grade) in accordance with the plans and profiles on file in the office of the City Engineer of the City of Glendale, and specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2, provided that said curbs shall be placed thirty-six (36) feet apart, each being placed eighteen (18) feet from the center line of said street.

Third. That a cement sidewalk five (5) feet in width be constructed along the Westerly side of said Cedar street from the Southerly line of Third street to the Northerly line of Fourth street, and along the Easterly line of said Cedar street from the Southerly line of Fourth street to the Northerly curb line of Fifth street, and along the Westerly side of said Cedar street from the Southerly curb line of Fifth street to the Northerly line of Sixth street, (excepting such portions of said street along which a cement sidewalk five feet in width has already been constructed to the official line and grade) in accordance with the plans and profiles on file in the office of the City Engineer of the City of Glendale, and specifications for the construction of cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Sec. 2. THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in said City, is hereby designated as the newspaper in which this Resolution and Notice of said street work inviting sealed proposals, shall be published in the manner and form and by the persons required by law.

Sec. 3. The City Clerk of the City of Glendale is hereby directed to post conspicuously for five days on or near the Chamber door of the Board of Trustees, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said City Clerk is hereby directed to publish for two days in said newspaper hereby designated for that purpose, as aforesaid, in the manner and in the form required by law, a Notice of said work inviting sealed proposals or bids for doing said work and referring to the specifications posted or on file. Said Notice shall require a certified check or bond, either, as prescribed by law, and for an amount not less than ten per cent. of the aggregate of the proposals; said City Clerk is also hereby directed to publish this Resolution for two days in the manner required by law in said newspaper designated for that purpose, as aforesaid.

Adopted and approved this 13th day of May, 1908.
